Second Alley up Ashti Square – Promotion Company

Mission

To provide our clients with innovative branded products that add value to their brand, helping to build trust and loyalty with their customers.

To support our clients by becoming an extension to their creative team, imparting our own knowledge and expertise and helping to simplify campaign and event planning processes.

To build strong relationships with clients providing a quality of service that continues to delight in all promotional product materials and communication fields including:

Vision

To provide an environment where people are excited and proud to work. Where they are stimulated and motivated each and every day, developing successful careers alongside the growth of the company.

To be the most innovative, fully accredited Promotional Product Company for clients all over the Kurdistan region. Quite simply, to be recognized as a leading brand offering clients attractive value and return on investment through extraordinary solutions.

To focus to supply the business market in the region with our outstanding promotional product materials that would grow together the company and our clients' success.

Our Ethics

By demonstrating our commitment to Corporate Social Responsibility (CSR) we aim to align our business values, purpose and strategy with the needs of our clients, whilst embedding such responsible and ethical principles into everything we do.

Values

Promotion Products.co highly values "Creativity" in its products and services. "Cooperation" within the team and with its clients, "Commitment" to excellence, and "Customer Satisfaction".

Why Are We Trusted ?

Promotion Products is a trusted company of the promotional product materials of real professionals. It was launched in 2023 with more than 15 years of CEO experiences and is licensed by the KRG Ministry of Trade and Industry – General Directorate for Company Registration.
